## NOT VOTING—2

Brown (CA)

Skelton

□ 1350

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

## PERSONAL EXPLANATION

Mr. BROWN of California. Mr. Speaker, on rollcall Nos. 267, 268, and 269, I was unavoidably detained away from the Capitol. Had I been present, I would have voted "yes" on rollcall No. 267, "yes" on No. 268, and "no" on No. 269.

# AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN ENGROSSMENT OF H.R. 4, PERSONAL RESPONSIBILITY ACT OF 1995

Mr. ARCHER. Mr. Speaker, I ask unanimous consent that in the engrossment of the bill, H.R. 4, the clerk be authorized to make technical corrections and conforming changes, and to correct section references, in the bill.

The SPEAKER. Is there objection to the request of the gentleman from Texas?

There was no objection.

# REQUEST FOR APPOINTMENT OF CONFEREES ON H.R. 889, EMERGENCY SUPPLEMENTAL APPROPRIATIONS AND RESCISSIONS FOR THE DEPARTMENT OF DEFENSE FOR FISCAL YEAR 1995

Mr. LIVINGSTON. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the bill (H.R. 889) making emergency supplemental appropriations and rescissions to preserve and enhance the military readiness of the Department of Defense for the fiscal year ending September 30, 1995, and for other purposes, with Senate amendments thereto, disagree to the Senate amendments, and agree to the conference asked by the Senate.

The SPEAKER pro tempore (Mr. SEN-SENBRENNER). Is there objection to the request of the gentleman from Louisiana?

Mr. OBEY. Mr. Speaker, reserving the right to object, I take this time to simply note that for the last 2 days, this side of the aisle has been trying to

find out what the process would be by which we would go to conference, who would be on that conference, and when this motion would be made.

It was not until literally 2 or 3 minutes ago that I was informed what the decision had been. No opportunity was given to me to consult the members of my committee who would not be contemplated as being conferees and no consultation was made on this side of the aisle about the wisdom of dividing conferees between the defense conference and the domestic conference, even though it is the apparent intention of the majority party to raid domestic programs in order to finance defense add-ons.

It was explained to us that the Speaker was even considering the unprecedented action of reducing the number of Democratic conferees below the ratio that we hold on the committee in order to provide a stacked deck for the conference. We had no knowledge about who would be on the conference until just several moments ago.

Given the fact that I have had no opportunity at all to consult with Members on my side of the aisle and given the fact that the majority party apparently intends to go to conference on Tuesday and given the fact that they can still do that if they wait until next week to make this motion, I object.

The SPEAKER pro tempore. Objection is heard.

(Mr. LIVINGSTON asked and was given permission to address the House for 1 minute.)

Mr. LIVINGSTON. Mr. Speaker, as the gentleman from Wisconsin readily knows, for the last 40 years it has been the rules of this House for the Speaker of the House to determine the conferees, and we have always, as Members of the former minority, been told who the conferees would be and have had to adhere to the restrictions laid down by the Speaker.

But the gentleman also might know that I hold in my hand a list of proposed conferees dated March 23, 1995, which we gave to the gentleman as far back as yesterday—

Mr. OBEY. Two minutes ago.

Mr. LIVINGSTON. Yesterday the gentleman had this exact list, either directly or through his staff. It is exactly what we have been talking with the Speaker about and have gotten agreement on.

The gentleman's objections are way off base. I would simply urge all Members to let us go to conference as rapidly as possible.

(Mr. OBEY asked and was given permission to address the House for 1 minute.)

Mr. OBEY. Mr. Speaker, I would simply note with all due respect to my friend the gentleman from Louisiana, that it is true that we were given a tentative list of conferees yesterday but at the same time we were told by persons on that side of the aisle that the Speaker was contemplating changing
